

ADEC MEMBERSHIP FORM

In what ways are you passionate about Democratic Education?
Can you nourish your interest in and actively support education that:

- is based on the quality of the relationships between learners and teachers;
 - is inclusive and holistic;
 - celebrates learners' gifts;
 - encourages self-direction, self-determination, self-management, life long love of learning and emergent, negotiated curricula;
- promotes democratic processes and structures, power sharing, participation of all in decision making and action, co-operation and collaboration, and working at individual pace and level;
- solves problems and conflicts through communication, dialogue and proactive design of systems that enable wellbeing;
- and refrains from coercion and manipulation?

If so, we invite you to join:

The Australasian Democratic Education Community.

ADEC provides a forum for discussion, debate, dialogue, learning and research; a network for celebration, sharing and support; and an incorporated organization for working together on common issues.
