A small independent primary school in Nicholls Rivulet, Tasmania

Primary Teacher
Full-time for 2017

We are looking for a creative, experienced classroom teacher to work mainly with our upper primary students. An interest in outdoor education would be an advantage.

Our goal is to provide a small nurturing environment, where every child can succeed. We look for students’ strengths and support them to develop these. We emphasise belonging and responsibility in the school community, and promote empathy for others.

Applications close Friday 9th December
